KINDERGARTEN Frequently Asked Questions

What are the hours of the two Kindergarten options (half-day and full-day)?

Half-day Kindergarten is held from 8:30 a.m. to 12:15. Full-day Kindergarten continues until 3:30 p.m.

Is care available before and/or after school?

Before school care begins at 7:15 a.m. After school care (available for full-day Kindergarten students) is open until 5:30 p.m. Additional charges apply.

What is taught during the morning?

The morning curriculum focuses on our core Kindergarten subjects – reading, writing, math, and religion. Other subjects such as center time, handwriting and show & tell are also part of the morning.

What happens during the afternoon in Kindergarten?

After lunch, recess, and a rest time, science and social studies are taught in the afternoon. The children also participate in enrichment activities focused on reading and math, and participate in reading groups. Special classes like Art, Choir, P.E. and Spanish are also held in the afternoon.

Can I enroll my student for full-day Kindergarten just on certain days?

Unfortunately, the logistics of this do not work. Students need to attend either full-days everyday, or half-day every day. Half-day (Morning) students may become full-time students at any time during the course of the year, however.
